LOOK—SPECIAL!

For every \$5.00 purchase we will give 18 yards only to a customer Apron Gingham at

5c Yard

Although we positively had said that we would not continue this Sale a day longer than this past Saturday, a lot of our customers insisted that we extend it just ten days more. We agreed to do this, but it is causing us to go to the market and buy a lot of new goods. These are coming in every day now and are being put on our shelves at once, being passed out to the customers at the same Great Reductions as the other goods. If you cannot now supply your Summer needs from our stocks it is because you do not attend this Sale.
